

Environmental Policy

Steel Formed Sections Ltd is committed to be an industry leader in our environmental performance and is dedicated to sourcing the raw materials for our products under the guidelines of the ***“BRE Environmental and Sustainability Standard - BES 6001:Issue 4.0- Framework Standard for Responsible Sourcing”*** as per our **bre certificate number : RS0049 Issue:05.**

Steel Formed Sections Ltd. are committed to providing quality products in a manner that ensures a safe and healthy workplace for our employees and minimizes our potential impact on the environment in accordance with relevant environmental legislation and other requirements to which we subscribe. We are committed to the prevention of pollution.

As a company we shall:

- a) Integrate the consideration of environmental concerns and impacts into all our decision making and activities,
- b) Promote environmental awareness among our employees and supply chain and encourage them to work in an environmentally responsible manner,
- c) Train, educate and inform our employees and supply chain about environmental issues that may affect their work,
- d) Reduce waste through re-use and recycling and by purchasing recycled, recyclable or re-furnished products and materials where these alternatives are available, economical and suitable,
- e) Promote efficient use of materials and resources throughout our facility including water, electricity, raw materials and other resources, particularly those that are non-renewable,
- f) Avoid unnecessary use of hazardous materials and products, seek substitutions when feasible, and take all reasonable steps to protect human health and the environment when such materials must be used, stored and disposed of,
- g) Purchase and use environmentally responsible products and services accordingly,
- h) Strive to continually improve our environmental performance and minimize the social impact and damage of activities by periodically reviewing our environmental policy considering our current and planned future activities.
